DEVICE ACCESSIBILITY

During this time of Distance Learning, Hastings Public Schools is committed to providing students and families what they need in order to ensure that every student receives an equitable education and has equal access to learning and instruction, appropriate educational materials and receives daily interaction with their licensed teacher(s).

Families of elementary students who do not have access to a device and/or internet are encouraged to access those resources through the District.

INTERNET ACCESSIBILITY

Once devices are secured, families may access the internet using the following options:

- Xfinity WiFi Free For Everyone: Xfinity WiFi hotspots across the country will be available to anyone who needs them for free – including non-Xfinity Internet subscribers. For a map of Xfinity WiFi hotspots, visit www.xfinity.com/wifi. Once at a hotspot, consumers should select the “xfinitywifi” network name in the list of available hotspots, and then launch a browser.
- You can also access this document if you need internet access options (<https://tinyurl.com/ISD200Internet>).

Check out details:

- Students must abide by the Hastings Public Schools [Acceptable Use Policy](#) for Internet, Network, Electronic Equipment and Communication.
